

10 Steps to

Keep Myself and Everyone SAFE!

Name: _____

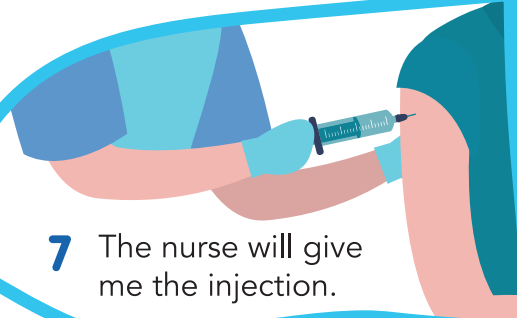

1 There is a virus going around. It makes people sick. It is Covid-19.

2 I need an injection to stay safe and to keep the people around me safe.

3 A nurse will come to my house to give me the injection.

When: _____

7 The nurse will give me the injection.

6 The nurse will rub a cold wipe on my arm.

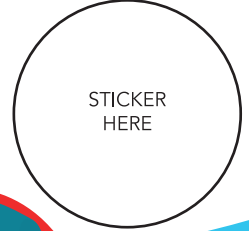

5 I will sit very still and roll up my sleeve.

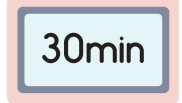

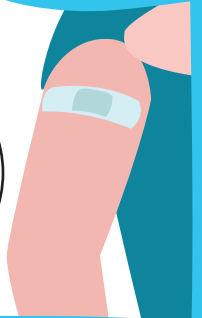

4 The nurse will ask me if I am feeling ok.

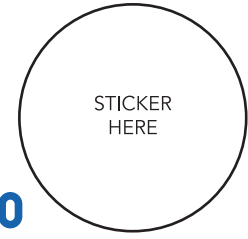

(Yes) (No)

8 The nurse will put a plaster on me.

9 The nurse will be around for 30 minutes to make sure I am ok.

10 I'm doing my part to stay safe and keep others safe!
